

Please accept this letter as an advertising opportunity or request for a donation. If you receive this letter without a player or parent of Southern Smoke Baseball Organization delivering it in person, please disregard it and throw it in the trash.

Our program is based around baseball, but our main focus is to develop our players into responsibly young adults and creating good relationships throughout the community. We do not expect anyone to help support our program without our players developing a relationship with those who help sponsor and support our organization. As a sponsor, you will help the Southern Smoke Baseball Organization teams defray the costs of competitive baseball that includes a significant amount of travel. The Southern Smoke Baseball Organization teams are responsible for their own expenses, which include equipment, uniforms, tournament fees, umpires, supplies and travel expenses. We will be hosting other fundraising events which will also include a raffle drawing, smoked pork loins, detergent sales and frozen Joes Pizzas. While the parents share a great portion of the costs for the team, that alone is not enough to sustain our needs for the year. Programs like ours depend on the generosity of team sponsors to make the year a success. All donation proceeds will go directly to the families of Southern Smoke Baseball to offset the cost of competition.

At this time, we are selling spaces for your business name/logo or individual/family name. These will be displayed on a 3x5 banner. One banner will travel with the team and the other will be on display at Britton's Bullpen in Olney. Sponsorship of our team allows you to support the boys while promoting your business.

\$150 minimum per business or name. Any extra amount is greatly appreciated and any amount over \$500 will get your own personal banner.

Thank you in advance for your time, and I also want to say, on behalf of our players, we hope to see you at some of our games and thank you for supporting Southern Smoke Baseball.
